DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN FIELD SERVICE

San Carlos Agency,
San Carlos, Arizona.
July 23, 1926.

Commissioner of Indian Affairs,
Washington, D.C.

Dear Sir:-

I am enclosing herewith copy of Census of the San Carlos Jurisdiction for the fiscal year ending June 30, 1926. You will note that this Census shows less Indians than in the last Census, which is due to the fact that an attempt was made during the current year to eliminate Indians who were enrolled on other reservations and also those who had been dead for many years. A careful check was made of the camps especially around Roosevelt and considerable distance from the reservation and a large number of Indians were found to have died during the influenza epidemic of 1918 but were not dropped at that time but who have been carried until the present census.

Very truly yours,

JAMES B. KITCH,
Superintendent.

JBK/H.
enc.

Nov. 13, 1929.

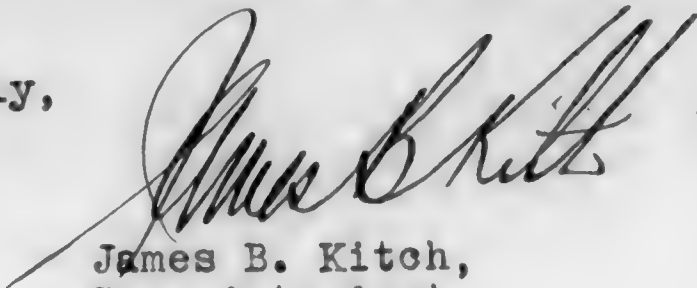

Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:

Referring to Office letter of Nov. 7, 1929, file reference as noted above, relative to identification numbers shown on the census of the San Carlos Reservation for 1929, in the column headed "Allotment, annuity and identification numbers", this is to advise that the numbers shown on the census serve as identification numbers.

When the various bands of Apache Indians were collected together on this reservation, at which time the War Department was in charge of the Indians, each Indian head of a family was given a number for identification purposes. Many of the older Indians know themselves and others of the old Indians only by the numbers assigned them at that time. For this reason the numbers are found ^{to} be a very necessary part of the census roll.

Yours truly,

James B. Kitch,
Superintendent.

Supt., San Carlos Agency.

NOV - 7 1921

Dear Mr. Kitch:

In the column on the 1929 census roll headed "Allotment, annuity and identification numbers" you have furnished a set of numbers, and as there have been neither allotments nor annuities at your jurisdiction the Office has concluded that these figures serve as identification numbers. Will you please furnish the Office with an explanation?

Sincerely yours,

Wm. C. ...
Commissioner.
